

Lightweight Handle Pry bars

Features and Benefits

- Designed with drop forged hardened steel point & wedge ends
- Rust resistant black finish
- Pry bar is chemically bonded to the fiberglass handle.
- Half the weight of steel pry bars
- Handle resists heat & cold less flex than a steel bar
- Non-Conductive fiberglass provides insulation from electrical shock
- Used by:
 - Contractors & mechanics for construction & auto repair
 - Municipalities for safe prying, lifting & digging
 - Fire & Police - Forcible entry
